Tariff for the communicating to the public of sound recordings including public performance.

Effective from: 01 January 2023

The communicating of sound recordings to the public is a restricted act in terms of the NAMIBIAN Copyright Act (Act 6 of 1994, as amended) and copy right and related rights Act (8 of 2016, section 10 as amended) and requires a licence from NASCAM for the use of sound recordings and performing rights. This document sets out

This document sets out

NASCAM's tariff for the communicating to the public of sound recordings in **HAIRDRESSING, BARBER,**

BEAUTY & OTHER SALONS.

This tariff is subject to SAMPRA's "General Terms and Conditions for Communicating Sound Recordings to the Public Licences", a copy of which can be accessed on NASCAM's website (<http://www.sampra.org.za>) or obtained by contacting NASCAM (see contact details here above).

This tariff applies to the communicating to the public of sound recordings in hairdressing, barber, beauty, nail studio and other salons as **background music**. There are specific types of communicating sound recordings to the public that NASCAM does not classify as **background music** and which are licensed under separate tariffs.

Penalty Clause – A NASCAM licence should be obtained before sound recordings are publicly communicated. Should sound recordings be communicated to the public without first obtaining or renewing a licence, a surcharge can be added to this tariff. This is designed to act as a deterrent to unlicensed communications to the public of sound recordings.

Fees:

Flat fee of **N\$ 707.70** per salon per annum.

VAT will be added to the fee at the current rate.

Definitions:

“Background Music” means the playing of recorded music to create an atmosphere or ambience that is not a special feature of, or essential to, the main event or is not essential to the operation of the premises.

“Repertoire” means the collection of copyright sound recordings owned or controlled by members of NASCAM from time to time.
